

DATE 1/16/13

Rebecca Kellenberg is a Health Policy Consultant based in Missoula, MT. As a health policy consultant and former state official in both Colorado and Georgia Medicaid and CHIP programs, Ms. Kellenberg brings over 13 years of experience in health policy research and program operations. Prior to this she was the Director of Member Services and Policy at the Georgia Department of Community Health. Ms. Kellenberg had overall responsibility for the PeachCare for Kids program, Georgia's CHIP program, and was also responsible for Medicaid eligibility policy and operations. In this capacity, Ms. Kellenberg developed and implemented numerous program and policy changes and administered all outreach and enrollment functions for Medicaid and CHIP. Ms. Kellenberg specializes in developing, implementing and evaluating health coverage programs with a particular emphasis on eligibility operations. Ms. Kellenberg has extensive experience in evaluating the impact of eligibility policies on health outcomes and reductions in the rate of uninsured. Ms. Kellenberg obtained her Bachelor of Science from Michigan State University and Master of Public Policy from the University of Chicago.
